Frequently Asked Questions

How it works	Can I make payments on the Full Course?	What if they miss a day?	When can teens start driving?	How long does a teen have to complete the classroom and driving sessions?
This 16-day class will allow teens to get their learner permit and prepare them with safe driving techniques before they begin their driving practice sessions. Students must attend the first 3 days to be eligible to take the permit test. Once students pass the permit test and receive their learner permit from the DPS, they can start their driving sessions.	A \$200 deposit will reserve their spot in class. All downpayments are due by the first class day, however spots are limited and fill quickly. The remaining \$190 is due before the last class day.	Teens are allowed to miss a total of 5 class days. Missed lessons can be made up during the next course offering.	Students can begin scheduling their 7 driving sessions after receiving a learner permit from the Department of Public Safety (DPS).	Teens will have 6 months to complete all classes, make ups and driving sessions.
